THE MEDLINE DIFFERENCE

QUALITY ASSURANCE

Quality tig welding – provides greater frame strength, like a mountain bike.

Layers of durable, reinforced upholstery reduces sagging over time.

Double coating of chrome plating and powder coating gives maximum protection against rusting.

Non-marking tires help keep facility floors free of unsightly black marks.

Brass inserts – prevent stripping of upholstery screws.

MEDLINE GUARANTEE Lifetime warranty on frame. One year on all parts.

Medline Limited Warranty:

Your Medline Product is warranted to be free of material defects in materials and workmanship for the lifetime of the Original Purchaser. This device was built to precise standards and carefully inspected prior to shipment. This Lifetime Limited Warranty is an expression of our confidence in the material and workmanship of our products and assures years of convenient, dependable service. This warranty does not extend to non-durable components such as handgrips, pushbuttons, leg riggings and any other wearable part which carry a one (1) year warranty. This express warranty extends only to the original purchaser only. In the event of a defect or failure covered by this warranty, contact us at 1-800-MEDLINE. Medline will, at its option, repair or replace your Medline product. This warranty does not extend to damage or failure occurring as a result of owner misuse or negligence, normal wear and tear, or other causes unrelated to the manufacture and design of the product. This express warranty is Medline's sole and exclusive warranty and your sole remedy in the event of default or failure. Medline is not responsible for any consequential or incidental damages or costs arising from use of the warranted products, or any defect therein or failure thereof. Medline disclaims all other warranties including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
